

My Health Record Privacy or Data Breach Notification

The practice or Healthcare Provider Organisation (HPO) is required to advise the Australian Digital Health Agency (ADHA) of any breach related to My Health Record (MyHR). Additional notification requirements may involve the HPO's insurer, the involved practitioner, the practitioner's insurer, and the Office of the Australian Information Commissioner (OAIC).

The Responsible Officer (RO) and Organisation Maintenance Officer (OMO) shall complete a "Privacy/Data Breach Notification Form" for any breach and submit this to the ADHA and/or OAIC. The RO or OMO shall also record the breach in an incident log.

All staff must report to the RO or OMO an event that has, or may have occurred that compromises, may compromise, has compromised or may have compromised, the security or integrity of the *My Health Record* system; and circumstances that have, or may have, arisen that compromise, may compromise, have compromised or may have compromised, the security or integrity of the *My Health Record* system.
